Neither Owner nor Engineer has any responsibility for the accuracy, completeness, or sufficiency of any Bidding Documents obtained from any source other than the Issuing Office. Obtaining these documents from any source other than the Issuing Office may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than the Issuing Office may also result in failure to receive any addenda, corrections, or other revisions to the Bidding Documents that may be issued.

Technical questions should be submitted in writing to the consultant: Michael Plummer at Michael.plummer@hdrinc.com or fax (704) 338-6760 or HDR Engineering, Inc. of the Carolinas, 440 South Church St. Suite 1000, Charlotte, NC 28202.

The City reserves the right to reject all bids or any portion of any bid they deem necessary for the best interest of the City, to accept any item or group of items unless qualified by the bidder, to acquire additional quantities at prices quoted on the Bid Form.

Instructions for submitting bids may be obtained by contacting Jerry Bates, City/County Purchasing Department, Room 324, City Hall Building, 101 North Main Street, Winston-Salem, NC 27101, (336) 747-6939 or email (preferred): jerryjb@cityofws.org

The project description:

Work includes the furnishing of all materials, labor, equipment and all that may be incidental to construction of the landfill gas collection and control system at the Hanes Mill Road Landfill. Major items of work will include but may not be limited to:

- Surveying and establishing suitable ground controls
- Locating and installing 4 vertical standard landfill gas collection wells
- Locating and installing 11 vertical caisson landfill gas collection wells
- Installing landfill gas collection piping including:
 - 4,000 linear feet of HDPE pipe
 - Associated fittings and connections to existing landfill gas wells and header pipe
- Completing all associated miscellaneous site work described in the Plans and Specifications
