

[THIS DOCUMENT AND PRICE SCHEDULE MUST BE RETURNED WITH THE PROPOSAL]

ADDENDUM 1

Zion Sewer System Evaluation Survey (SSES) RFP

Winston-Salem, NC

BIDS DUE:

November 10, 2017 12:00 PM EDT

Addendum 1

This addendum is applicable to Zion Sewer System Evaluation Survey (SSES) RFP and will be part of and included in the contract documents.

This addendum includes a new price schedule. Contractors **MUST use the price schedule from addendum 1 for proposals to be considered.**

Contractors must acknowledge receipt of this addendum in their proposal, including the addendum number and date issued.

The sections included below replace the sections in the original RFP.

1.2 Clarification to RFP

1.2.1 If any person contemplating submitting a bid for this contract is in doubt as to the meaning of the specifications, other bid documents, or any part thereof, he/she may submit questions to the Michael.Leeds@hdrinc.com on or before October 16, 2017 by 12:00 Noon EDT. Written responses to all inquiries received by this date will be made available to all recipients of this RFP on the City of Winston-Salem Purchasing website by 5:00 p.m. EDT on Tuesday, October 17, 2017.

1.2.2 RFP Scoring Criteria

All properly submitted bids will be reviewed by an evaluation committee for the following weighted criteria:

<u>Criteria:</u>	<u>Point:</u>
a. Bidders Pricing	50
b. Vendor Experience and References, and Personnel Experience	20
c. Performance/Approach Quality Control and Quality Assurance Plan	20
d. Resources and Schedule	10
TOTAL	100

1.3 Proposal Submission

Sealed proposals endorsed **Zion SSES Inspection** to be furnished to the City of Winston-Salem will be received by the City/County Purchasing Department in Suite 324, City Hall Building, 101 North Main Street, Winston-Salem, NC until **12:00 Noon EDT, Friday, November 10, 2017**. Instructions for submitting proposals and complete specifications may be obtained during regular office hours at the same location, or by contacting Michael Leeds via email Michael.Leeds@hdrinc.com or phone 336-955-8256. HDR Engineering Inc. of the Carolinas reserves the right to reject any or all proposals.

Questions/Responses

1. Is there a bid bond required for this bid? If so, how much?

Response: There is no bid bond required for this bid.

2. How many copies of our bid are we required to submit?

Response: Two (2) hard copies of the proposal must be submitted. Additional hard copies or electronic versions of Proposals may be submitted at the Contractor's discretion.

3. Is this a prevailing wage project?

Response: This is not a prevailing wage project.

4. Is it possible to submit a proposal based on the CCTV portion only or does the City require one single contractor to perform all of the tasks laid out in the scope of work?

Response: Proposals will be accepted for portions of the work in the RFP; however points may be lost during the evaluation if a Contractor or Team is not able to perform all types of work included.

5. Is a certificate of insurance due with the bid or upon award?

Response: A certificate of insurance shall be submitted upon award.

6. Is it possible to get the geodatabase for the target areas on the Zion SSES RFP due 10/23?

Response: Yes, a geodatabase is available by contacting Michael.Leeds@hdrinc.com.

7. Will CCU accommodate their WWTP facility for disposal as provided for previous contracts?

Response: Yes, debris disposal will be provided at no cost.

8. What is the quantity of pipe in easements?

Response: A geodatabase of the specific locations of mains and manholes included is available by contacting Michael.Leeds@hdrinc.com.

9. Could you send the instructions for submitting the proposal?

Response: Two (2) hard copies of the proposal are required to be submitted to City/County Purchasing Department in Suite 324, City Hall Building, 101 North Main Street, Winston-Salem, NC. Proposals are due November 10, 2017 by 12:00 Noon EDT.

10. What is the estimated quantity of pipes below 8" in diameter (6") or what percentage is 6"?

Response: Total footage included by diameter is:

Pipe Diameter [in]	Linear Footage
6	33852.33
8	15981.58
12	1844.46
15	1902.38
18	2690.13
36	2525.00
TOTAL	58795.88

All quantities are estimates and HDR Engineering Inc. of the Carolinas makes no guarantee as to the total linear footage included in any task order under this MSA.
