

## RE - ADVERTISEMENT FOR BIDS

### System-Wide Sewer Rehabilitation - Phase 1

North Carolina General Statute (N.C.G.S.) 143-132(a) requires a minimum of three competitive bids be received for formal construction and repair contracts. Should fewer than the required three bids be offered as required by N.C.G.S. 143-129, the project may be readvertised.

#### **Minimum number of bids for public contracts. 143-132**

- (a) No contract to which G.S. 143-129 applies for construction or repairs shall be awarded by any board or governing body of the State, or any subdivision thereof, unless at least three competitive bids have been received from reputable and qualified contractors regularly engaged in their respective lines of endeavor. Provided that if after advertisement for bids as required by G.S. 143-129, not as many as three competitive bids have been received from reputable and qualified contractors, said board or governing body shall again advertise for bids; and if as a result of such second advertisement, not as many as three competitive bids from reputable and qualified contractors are received, such board or governing body may then let the contract to the lowest responsible bidder submitting a bid for such project, even though only one bid is received.

Pursuant to N.C.G.S. 143-129, sealed bid proposals endorsed “**System-Wide Sewer Rehabilitation - Phase 1**” will be received by the City/County Purchasing Department in Room 16 of City Hall Building, 101 N. Main Street, Winston-Salem, NC until **1:00 PM, Thursday, August 9, 2018**, when all bids will be publicly opened and read aloud. Consideration will be given only to Contractors who submit evidence that they are properly licensed as required by Chapter 87 of the North Carolina General Statutes to bid and perform the work described herein as the general contractor and must have proper licenses under the state laws governing their respective trades at the time of bid opening. The City reserves the right to waive any informality in the bidding and to reject any or all proposals.

The scope of work includes, but is not limited to, the construction of a gravity sewer rehabilitation project that consists of open cut pipe replacement, open cut point repairs, cured-in-place pipe, pipe bursting, replacement or rehabilitation of service laterals, restoring ground and roadway surfaces, traffic control, etc. for approximately 40 gravity sewer pipe sections throughout the City’s system.

#### **The City will only consider bids received from Contractors that were in attendance at the Mandatory Pre-Bid Conference held at 10:00 AM, Wednesday, July 18, 2018.**
